

ENVIRONMENT POLICY

Scope Group Limited is a privately owned company that has expanded on its multiple strengths nationwide. Scope Group Limited provides a range of services including civil and drainage, demolition, asbestos removal and HAZMAT solutions.

OUR VISION

Scope Group Limited is committed to protecting the environment through best practice guidelines and through continually improving environmental performance.

CORE VALUES

All company workers are required to operate under this policy and are encouraged to contribute to the improvement of environmental management.

OUR COMMITMENTS

- To develop and drive environmentally responsible policies and systems to ensure pollution prevention and minimal environmental impact.
- To be proactive and responsive during early engagement discussions with affected parties to ensure all practical steps are taken to manage waste efficiently.
- Minimise waste and the use of energy and resources by continuously improving its environmental management.
- Dispose of contaminated waste including asbestos in a manner compliant with current legislation.
- Minimise environmental impacts during our operations as far as reasonably practicable and comply with all relevant legislative requirements.
- Encourage and support environmental responsibility with all workers, contractors and clients through induction, education and training.
- Wherever possible reduce harmful emissions by ensuring that all plant and equipment is well maintained and fuel efficient and avoid unnecessary travel.
- Set targets and objectives to measure, manage and improve performance.
- Train our workers to identify environmental risks and opportunities to improve our performance.
- Meet legal obligations as specified in the legislation, codes of practice and any relevant standards or guidelines.
