

# SUSTAINABILITY POLICY

Scope Group Limited is a privately owned company with branches in Canterbury, Dunedin, Queenstown and Nelson. With multiple strengths, we provide superior quality services nationwide in the civil and drainage, demolition and asbestos removal industries.

## CORE VALUE

We have established core values based off the fundamental principles of the company. Our policies align with our core values and work in unison with our company culture. We will continuously improve our sustainability focus by measuring economic, environmental and social impacts. Our systems, processes, training and company culture drives our commitment to stay ahead of the environmental curve.

## OUR COMMITMENT

- To make informed and balanced procurement decision making processes that minimise the impact of operations on the environment, deal fairly and responsibly with our suppliers, workers and clients.
- To support local communities and not for profit organisations by gifting recyclable materials for reuse.
- To improve economic benefits by reducing waste disposal costs by salvaging and reusing materials.
- Continuously source sustainable supply chains.
- To prioritise our waste management practices by implementing the waste management hierarchy to lessen environmental impacts by reducing waste and increase recycling.
- To encourage worker engagement by implementing positive environmental and sustainable policies and procedures.
- To protect the safety, health and wellbeing of our workers, clients, contractors and visitors to establish positive culture through implementing initiatives that encourage a sustainable working environment.
- Meet legal obligations as specified in the legislation, codes of practice, relevant standards and guidelines.
